## TABLE TENNIS INFO

### SCORING

A typical match is best 3 out of 5 games. The first player to reach 11 points wins that game, although a game must be won by at least two points. Each player serves two points in a row. However, if a score of 10-10 is reached, then each player serves only one point before switching servers. After each game, the players switch sides of the table. In the final game (i.e. 5th game), the players switch sides again after either player reaches 5 points.

### DRESS CODE

Clothes have to be a color different from the ball in use (white or orange).

### OPEN PLAY RULES

Bring a friend or come alone and find playing partners at the club! When you arrive, sign up at a table. When your name is called, play the winner of the table. Or if tables are open, invite someone to play with you.

## FUN FACT!

The name ping-pong™ is trademarked by Parker Brothers, who wanted a huge sum of money from USATT for the rights to that name. In response, the community gave the sport its own name: table tennis.

## Welcome to Trolley Car Table Tennis Club!

### A Sport for Everyone!

Trolley Car Table Tennis Club is a USATT-affiliated nonprofit table tennis club located in the East Falls section of Philadelphia. It is the only full-time table tennis club open to all players in the Philadelphia region. The Club features eight tournament quality Killerspin tables in well-lit 20'x30' courts. TCTTC is easily accessible by public transportation and major highways (Routes 76 and 1). Complimentary racquets and balls and free wifi are available.

### A Sport for Everyone!

Trolley Car Table Tennis Club is open to players of all ages and levels of play! The club is centered on developing a love for the game, preparing people to become competitive tournament players, and creating a vibrant table tennis community.

### 300 Million Active Players... and Growing!

A visit to any table tennis club or tournament will show the incredible range of players from various ethnicities, racial and economic backgrounds and ages. Table tennis is a quickly expanding Olympic sport that is hungry to expand.

Beginner, Intermediate &  
Advanced Players  
Welcome!
